Pro Medicare Srl warrants the devices functionality for a maximum period of 24 months, covering all manufacturing defects from the first commissioning and 12 months on covers and wear parts. The warranty is valid if the device is used as indicated within the instruction manual.

Note: Any request for variation in dimensions, materials and type compared to the standard defined for the specific user does not have CE marking, therefore the professional user becomes the manufacturer and has the obligation to draw up the technical documentation of the device (this is valid for the sections of the sheet with the letter W; the prices of the W items are not present on this order form).

Images are purely illustrative and may not fully reflect reality.

Note: Each model includes as standard: foam pudding, system kit and cover

Maximun Load: 135 kg (excepted for Pucco, Vip and Nauco)

Please indicate the number of pieces in the boxes
